ABOUT

As a Louisiana native and a real estate professional, I recognize the trust my clients invest in me to ensure their priorities are met as we walk along the journey of buying and selling together. Prior to real estate, I gained experience in the banking and finance sectors. I was elected to serve two terms as Student Body President at LSUA and was elected to one term to represent over 50,000 students on the LSU Board of Supervisors for the 2019-2020 year. These experiences have given me a well-rounded insight into what it takes to accomplish to priorities my clients believe in.

Outside real estate, I am passionate about serving in the community and serve as a member and leader in multiple organizations across Baton Rouge.
