ABOUT

I have been a full-time real estate agent/Realtor since 2002 with Coldwell Banker ONE (name changed from Saurage Realtors as the result of a merger in 2007). Over my career, I have brokered over 750 real estate transactions totaling over \$150,000,000 in sales volume. While the majority of these transactions are residential, there is a portion of them that are commercial and land deals. My sales volume has consistently earned top honors and awards at the company level, as well as the national and international levels of the Coldwell Banker organization. In addition to client representation, I have over 15 years of experience in personal real estate investing. This includes ownership in rental properties (residential, multi-family, commercial), land development, and property flipping projects. For the past 10 years, I have consulted a barge company on their river frontage leasing and land acquisitions.

I have sat on our company's agent council since 2007. I was elected the first two years and have been on it based on sales volume ranking since 2009. I have served on multiple committees at the Greater Baton Rouge Association of Realtors and as an advisory committee member for a community bank and St. George Catholic School. I also sit on the board of directors of a federal credit union and another for the Greater Baton Rouge Association of REALTORS.
