Commercial sales & Leasing Agent

ABOUT

"Oni is a dedicated professional committed to service and community. Born and raised in Lagos, Nigeria, she later spent part of her life in London before embarking on her 'American Dream Journey' in December 2017. Now calling Baton Rouge, Louisiana her hometown, Oni has found her place in the vibrant community.

As a purpose driven sales agent, Oni deeply understands the needs and visions of her clients. Her utmost goal is to build strong and long-lasting relationships with the people she serves. Whether it's in office, retail, industrial, multi-family, or investment properties, whether you're looking to buy or lease, Oni is adept at negotiating and closing deals, ensuring the satisfaction of her clients and creating customers for life.

Beyond her professional pursuits, Oni serves as a board member of KIWANIS INTERNATIONAL 'Red Stick Club,' a nonprofit organization dedicated to improving the lives of children.

She actively contributes her expertise in coaching, marketing, politics, and overall quality of life in Baton Rouge. Oni's passion for community improvement has also led her to establish and grow her municipal governmental relations practice.

Life and Cultural Background:

Oni's early life in Lagos, Nigeria, exposed her to the vibrant and diverse Nigerian culture, which continues to shape her identity and perspective. Living in London and Louisiana has further broadened her worldview, allowing her to appreciate and understand different cultural nuances. Her multicultural background and experiences give her a unique ability to connect with individuals from various backgrounds and navigate the global real estate market.
