Cassie Landry Goldsboro, MBA

ABOUT

Cassie entered the local commercial real estate market in 2012 with six years of experience already under her belt. She excelled in the business after acquiring a Bachelor of Science degree in Real Estate from Florida State University. She got her footing in the New Orleans market where she was Property Manager and Leasing Agent for Preferred Realty Inc. While there, she built a sizeable portfolio of leased and managed commercial space including office buildings, retail strip centers, warehouses, mini storages and prime real estate.

It's this well-rounded knowledge of real estate that enables Cassie to bring a more in-depth approach to understanding the ever-changing market, adapting to constant regulatory changes and economic trends. She can often sniff out a deal before it hits the market. She's tenacious, but highly respected by peers and clients for her professional manner.

A member of the Realtor's Commercial Alliance, she currently serves as Past President. And, she is now working toward a CCIM designation.

Cassie is a proud Alumni of The University of Louisiana at Lafayette, where she received a Bachelor of Science Degree in Business Administration. She also earned a Master Degree in Business Administration from The University of New Orleans, graduating with a 4.0.

She and her husband Nathan keep busy with their children and a love for the outdoors. In her pastime, Cassie enjoys tennis, running (having completed 41 marathons and half marathons combined) shooting and collecting guns, horseback riding and taking to the back roads on her motorcycle.
