ABOUT

Our team sold 120 units in 2014 with over \$19 million dollars in sales. These numbers were achieved collectively through our marketing ideas. We use aggressive marketing through several systems and techniques. We market to buyers as well as to other agents. With marketing to buyers, we use several websites. Our technology allows us to syndicate your property and information worldwide. We pay these online companies to maximize your properties potential of active buyers. We market to other agents and their prospective clients.
