Chip Gardner

Fourth-Generation Broker

ABOUT

Chip Gardner holds over 25 years of experience in the residential and commercial real estate industry. Chip is a fourth-generation real estate broker, who chose to transition from executive leadership into full-time client advisory services. He is now using his unique skill set, vast industry experience, and in-depth market knowledge to provide discerning clients with top notch real estate services throughout Greater New Orleans and on the Mississippi Gulf Coast.

Chip is regarded as a thought leader in the real estate industry; he has spoken on numerous panels and received recognition at events locally and across the country/world including: New Orleans Business Alliance, Urban Land Institute, Leading Real Estate Companies of the World; Luxury Portfolio International; Who's Who in Luxury Real Estate; RISMedia; National Association of Realtors, YPO, and so many more. Chip was also honored with the Millennial Award for his exemplary work within the real estate industry and dedication to making a difference in the community.

Chip is the youngest real estate professional in the Gulf South to attain the following real estate credentials to serve clients: Real Estate Broker (LA, MS, TX); Certified General Appraiser (LA, MS, TX); Master of Business Administration – Finance/Real Estate (LSU); Bachelor's Degree in Business Administration – Finance/Economics (Spring Hill College); Member Appraisal Institute (MAI); Ninja Certified Manager (NCM); Certified Residential Broker (CRB); amongst numerous other real estate industry certifications and designations.

Chip's extensive client consulting experience across the country and world with Duff & Phelps Real Estate Advisory Group...
