# Robbie Breaux

REALTOR | Team Leader

## ABOUT

Robbie, a lifelong resident of Lafayette and diehard Ragin' Cajun, earned a Bachelor's degree in Finance from the University of Louisiana at Lafayette. Prior to taking the real estate market by storm, Robbie spent his days as an outside salesman for Glazer's Distributing. In 2006, Robbie launched his real estate career and has strived tirelessly to be one of the top selling agents in the Acadiana area. He has assembled a team to compliment his commitment to providing his clients with top of the line care. Together, they work closely with clients, guiding them through each step of the process of buying and selling a home.

Robbie doesn't just help others purchase and sell homes, he believes in real estate himself. He's a real-estate investor/landlord who has been heavily involved in building and remodeling homes. This personal involvement in renovating homes has given Robbie a sharp eye for the kind of flaws that would make a house a poor investment.

Robbie's goal has always been "To be the realtor I never had!"
