ABOUT

Knowledge and Experience Meets Trust and Care

At Barker Property Management & Commercial Real Estate our mission is simple: to combine our knowledge, experience and professionalism in managing our clients' assets to ensure the highest possible return on their investments.

After 15 years in the real estate industry, owner Branden Barker, established Barker Property Management & Commercial Real Estate in 2017. Branden boasts a versatile background in the industry, having been involved in the management, selling and leasing of commercial property. Currently, Branden is the only person in the State of Louisiana to have earned the three prestigious designations of Certified Property Manager, Certified Commercial Investment Member, and Certified Shopping Center Manager.

The Pointe Coupee Parish native got his start in the real estate industry as a Commercial Sales and Leasing Agent/Associate Broker with Latter & Blum Property Management, Inc. Prior to Branden establishing his own firm, his most recent stint was serving as the General Manager/Broker of Record of Perkins Rowe in Baton Rouge, LA, where he oversaw managing an \$18 million budget and a team of 10 direct reports and 50 indirect third-party employees, including security, housekeeping, and apartment managers. He also focused his efforts on increasing the visibility of the 847,000 square foot Baton Rouge development by creating a community involvement program that included partnerships with the Junior League of Baton Rouge, ALS, American Heart Association, St. Vincent DePaul, and others.

In addition to Branden's professional success, he sits on the National Executive Committee of the Institute of Real Estate...
