ABOUT

After practicing residential real estate for four years, I decided to start working with commercial clients. I have now been working in commercial real estate for over two years now. I am a CCIM candidate currently working towards my CCIM designation. I have completed all my CCIM classes and currently working on my portfolio.

I live in the Acadiana Region of Louisiana and it is one of the fastest growing areas along the I-10 corridor, and in the state of Louisiana. My specific area is St. Martin Parish because; I was born and raised here. That definitely makes me a market expert. I will learn your commercial business from the ground up and look forward to helping your business grow and succeed.
