Warren Surcouf, III, MBA, CCIM

ABOUT

Mr. Surcouf is a business consultant and founding member of Corsair Consulting, which has served as project manager for the Metairie Business Development District & Fat City Friends organizations. These organizations are tasked with revitalization in Metairie, including Fat City. Mr. Surcouf obtained his MBA from Loyola University and his BS from LSU in Business Administration. Warren has experience overseeing/planning many different events in the GNO area and has served on many different non-profit boards and committees.

Mr. Surcouf currently serves on the board of the American Diabetes Association. He was a board member for the ReNEW Charter Schools and the chair of the development committee from 2014 until recently in 2016. He oversaw the development of the Chili in the Channel event as well as maintenance of it as a successful fundraising event for the schools. Mr. Surcouf was the Vice President of Development for the Young Leadership Council. Mr. Surcouf has served as Project Leader for the Young Leadership Council - Wednesday at the Square Concert Series from 2009 until 2014.

He has also held several other volunteer positions including Editor of the Streetcar Named Inspire Book. Mr. Surcouf has also overseen all aspects of concert production including logistics, food and beverage, and public relations.

Prior to moving back to New Orleans, Mr. Surcouf lived in San Francisco, CA and was a licensed financial advisor in various states across the country. His responsibilities have included event management, future business creation and sale, wealth management of customer assets, operational procedure development, & computer support. Mr. Surcouf has been a...
