ABOUT

Carl A. LaRosa has always been an entrepreneur, serious real estate investor and astute decision maker. A lifelong resident of the Mississippi Gulf Coast, his circle of clients reaches from the Mississippi Gulf Coast into New Orleans and southern Louisiana where he represents both buyers and sellers in their transactions to purchase and sell real estate.

Professional Realtor at Coldwell Banker Alfonso Realty since 1990. He based his decision on the resources available from the national franchise, the advertising, the training, and all the attributes not just for the Realtor, but more importantly, for his clients. Coming from a background in franchise ownership gave Carl the competitive edge to understand the power available from a national company on the local level. Carl quickly achieved many recognitions for his achievements and is known as one of the few Realtors within Coldwell Banker Alfonso Realty who has chosen to specialize in both residential and commercial real estate and he has received awards. Once his clients recognized his commitment and success in the business, they entrust him with all their real estate needs.

Among his prestigious client list, national franchise organizations like O'Reilly Auto Parts, Subway, Hooter's, Shaggy's, McDonalds, and Blimpie Subs and Salads. He is honored to represent state agencies like South Mississippi Housing and Development, Mississippi Region 8 Housing Authority, Mississippi Department of Employment Security, and Custom Commodities.
