Avra O'Dwyer

ABOUT

Avra O'Dwyer is a licensed real estate broker in both Louisiana and Mississippi. She began her real estate career as an agent in New Orleans in 1978. Eventually, she acquired her broker's license; and, in 1983, she established her company, O'Dwyer Realty, in Louisiana. In 1993, she moved to Pass Christian and became licensed in Mississippi. She now has two offices in Mississippi - Bay St. Louis & Pass Christian - and, between the two states, O'Dwyer Realty has over 30 agents.

Over the course of her career, Avra has garnered a wealth of knowledge concerning real estate. Despite owning and managing her company, she still finds time to work with clients utilizing her vast knowledge to assist them with buying and selling property. If you are looking for a real estate broker who is committed to both the profession and her clients, Avra is the one for you!
