Taylor Wager-Jones

Real Estate Advisor

ABOUT

After achieving her master's degree in 2018 from the University of Southern Mississippi (SMTTT!), Taylor jumped into the world of real estate. She has been working at Coldwell Banker TEC ever since. She works hard to help investors, tenants, and property owners navigate the complexities of commercial transactions. Taylor seeks to position herself as a trusted advisor to her clients through relationship building, client advocacy and providing data-driven assessments.
